Forecast For Wales
Issued by Met Office Exeter
at 1600 on Tuesday 20 Apr 2021

++ Valid for broadcast between 1800 and 0600

Headline:
A dry and mild night with some isolated showers.

This Evening and Tonight:
Remaining cloudy overnight, with the occasional clear spell for some. There will be a few isolated showers too but staying dry throughout for most. A milder night than recently and staying largely frost-free. Minimum temperature 4 deg C (39 deg F).

Wednesday:
After a cloudy morning with a little patchy light rain in places, it will be a largely dry afternoon, with cloud breaking up and allowing for some sunny spells. Maximum temperature 16 deg C (61 deg F).

Outlook for Thursday to Saturday:
Staying fine and dry throughout the period, with sunny spells and patchy fair-weather cloud. Becoming quite warm by day and breezy in the south. Overnight frosts are still possible.
